The AVSA judged show will feature a dazzling display of specimen African Violets and other Gesneriads (African violet relatives) demonstrating the diversity within the plant family. Sale plants include African violets & Gesneriads from Fancy Bloomers, and starter plants raised from member's collections.

****Located** near the corners of Ridge Pike & East Cathedral Road in Roxborough. Catty-corner from Andorra Shopping Center. From Ridge Pike go south on East Cathedral Road and right at the next drive
